इपामा की 15वीं प्रिंटपैक प्रदर्शनी सम्पन्न दर्शकों के लिए डीपीए का स्टॉल बना मुख्य आकर्षण

इपामा भारत की प्रिंट एंड पैकजिंग मशीनरी के उत्पादकों की सर्वोच्च संस्था के रूप में विख्यात है। कोरोना महामारी के बाद इपामा ने अपनी 15वीं प्रिंटपैक प्रदर्शनी ग्रेटर नोएडा के एकजीबिशन ग्राउंड में आयोजित की। शानदार आयोजन और भारी संख्या में दर्शकों के कारण यह प्रदर्शनी बेहद कामयाब रही। डीपीए ने इस महाप्रदर्शनी में अपना योगदान दिया। इपामा ने डीपीए को एक स्टॉल आबंटित किया, जो दर्शकों के लिए प्रिंटिंग सम्बंधी जानकारी के लिए आकर्षक का केन्द्र बना रहा। डीपीए के पदाधिकारियों ने इस इवेंट में विशेष रूप से भाग लिया और प्रिंटिंग उद्योग के लिए उपयोगी नए उत्पादकों की जानकारी प्राप्त की।

अध्यक्ष की कलम से

जीवन के प्रत्येक क्षेत्र में समय-समय पर लगातार बदलाव होते रहते हैं। समय की मांग के अनुसार हम सबको इन बदलाव के अनुसार खुद को ढालना पड़ता है। छपाई उद्योग की बात करें तो 15वीं शताब्दी में जर्मनी के जोहनस गुटनबर्ग द्वारा मुद्रण कला के आविष्कार होने के बाद इस क्षेत्र में नित नये तकनीकी विकास हो रहे हैं। एक-एक टाइप जोड़कर की जाने वाली छपाई से लेकर आज डिजिटल, 3-डी, आदि नवीनतम तकनीक द्वारा छपाई की जा रही है जिसके कारण न केवल समय की बचत हो रही है बल्कि छपाई की क्वालिटी अत्यधिक उत्तम स्तर की हो रही है।

छपाई मशीनों में हो रहे लगातार विकास की जानकारी हम देश-विदेश में मुद्रण तथा पैकेजिंग मशीनों की निर्माता तथा विक्रेता कम्पनियों द्वारा समय-समय पर लगाई जाने वाली प्रदर्शनियों को देखकर ही ले पाते हैं। हाल में दिल्ली व एन.सी.आर. में छपाई मशीनों तथा कागज उत्पादक मिलों द्वारा कुछ प्रदर्शनियों लगायी गयी। जिनकी संक्षिप्त रिपोर्ट हम इसी अंक में छाप रहे हैं।

जैसा कि प्रिन्टिंग क्वालिटी के बारे में ऊपर जिक्र किया गया है,

आज ग्राहक की पहली मांग रहती है कि छपाई का स्तर नई तकनीक की मशीनों के स्तर का उच्चतम होना चाहिए। यदि किसी मुद्रक को अपने ग्राहक की मांग को पूरा करना है तो आज के तीव्र कम्पीटिशन वाले बाजार के अनुसार उस मुद्रक को अपने यूनिट को यथावत अपग्रेड करना ही होगा वरना 'तू नहीं और सही, और नहीं और सही' वाली स्थिति पैदा होने में समय नहीं लगता है। वैसे भी हम मुद्रकों को स्पर्धावश स्वयं की उन्नति के लिए आवश्यक व्यवसायिक परिवर्तन लाकर अपने यूनिट का विकास करते रहना चाहिए। इस प्रकार के नियोजन में जरूरी निवेश के लिए धन किसी बैंक अथवा बैंकिंग संस्थान से लिया जा सकता है। नवीनतम मशीनें लगा पाने के पश्चात मुद्रकों को अपने कारीगरों अथवा कर्मचारियों को भी आवश्यक तकनीक से प्रशिक्षित करके यूनिट में रैनोवेशन करना होगा।

इस बदलाव के साथ मुद्रकों को कच्चे माल एवं अन्य खर्चों का बारीकी से हिसाब लगाकर अपने छपाई के रेटों में उचित वृद्धि करके ही ग्राहकों को नये रेट 'कोट' करने होंगे ताकि एक ओर हम उन्हें उच्चतम गुणवत्ता वाली क्वालिटी दें, वहीं हम उचित प्रॉफिट भी कमा सकें। आज वक्त ही यहीं मांग है बदलाव लाना ही उचित कदम है।

—अतुल गoyal, अध्यक्ष

महासचिव की कलम से

आप सभी जानते हैं कि दिल्ली प्रिन्टर्स एसोसिएशन भारत की ही नहीं एशिया की भी मुद्रक सदस्यों की सबसे बड़ी संस्था मानी जाती है। यद्यपि इन दिनों कोविड-19 का प्रभाव काफी कम है परन्तु पिछले दो वर्षों में इसके भीषण प्रकोप से जूझते रहने के कारण होने वाली हानि से परेशान होकर कुछ मुद्रक सदस्यों ने इस व्यवसाय को छोड़कर किन्हीं अन्य व्यवसाय को अपनाया शुरू कर दिया है। फलस्वरूप डीपीए की सदस्य संख्या भी प्रभावित हुई। अपनी समस्याओं के निदान हेतु सरकार पर आवश्यक दबाव डाल पाने के लिए एसोसिएशन का मजबूत होना जरूरी है। अतः हमारा लक्ष्य है कि अनवरत प्रयास करते हुए हम शीघ्रता से नए सदस्य जोड़ें तथा पिछली संख्या को पार कर नई ऊंचाई प्राप्त करें। इस उद्देश्य की प्राप्ति के लिए हम आप सभी का सहयोग चाहते हैं और आग्रह करते हैं कि आप निकटवर्ती मुद्रण संस्थानों को डीपीए का सदस्य बनाने में सहायता करें। संगठन में ही बल है।

पिछले कुछ माह पूर्व से कच्चे माल की कमी की वजह से दामों में बड़ा उछाल आया था जिसके कारण मुद्रकों को विभिन्न कठिनाइयों का सामना करना पड़ा। देश के भिन्न-भिन्न क्षेत्रों के मुद्रण संस्थानों ने, जिनमें डीपीए भी शामिल है, ऑल इंडिया फेडरेशन ऑफ मास्टर प्रिन्टर्स द्वारा भारत सरकार का ध्यान इस गंभीर समस्या की ओर खींचा जिसके कारण कुछ सप्ताहों से पेपर गते, स्याही आदि के दाम लगभग स्थिर हो गये हैं। माह के अन्त में संबंधित मिनिस्ट्री ने कच्चे माल की सप्लाई में कमी तथा दामों में लगातार वृद्धि होने के कारण ढूँढने के लिए जांच कमिटी का गठन कर दिया है।

इस वर्ष मार्च माह से ही गर्मी शुरू हो गयी तथा धीरे-धीरे बढ़कर मई के मध्यम में ही 47 डिग्री का आंकड़ा पार कर गयी। मौसम के इस बदलाव के कारण वाहनों तथा भवनों में अचानक आग लगने के कई समाचार आने लगे। मुंडका में एक चार-मंजिला औद्योगिक इमारत में भीषण आग लग जाने से 27 कर्मचारियों को जान गवाना पड़ी। वैसे तो सभी प्रकार के बड़े भवनों को फायर डिपार्टमेंट से नो ऑब्जेक्शन सर्टिफिकेट लेना आवश्यक है किन्तु इस बड़ी दुर्घटना के बाद दिल्ली फायर सर्विस वाले सजग व तेजी से सक्रिय हो गये हैं तथा औद्योगिक क्षेत्रों में उनकी टीमों फायर एनओसी की जांचकर रही है। अतः हम सबको भी सचेत रहकर अपने सभी लाइसेन्स आदि प्राप्त कर निश्चिन्त होकर कार्य करना चाहिए। इस प्रयास में हमारी स्वयं की तथा हमारे कर्मचारियों की सुरक्षा भी निश्चित है।

MEDIA EXPO MUMBAI STAGES A REMARKABLE COMEBACK

Media Expo Mumbai 2022 - held from May 12 to 14 - made a record-breaking comeback with strong visitor footfalls. Organised by Messe Frankfurt India, the trade fair gained a massive visitor footfall of 13,199 who witnessed a variety of product launches and top innovations in indoor, OOH, print and signage advertising segments. The 48th edition of Media Expo highlighted the transition towards innovative, sustainable and eco-friendly advertising solutions. With product showcases from 127 exhibitors including 17% new participants on the showfloors it attracted buyers from 15 countries and 27 Indian states.

Delighted to be back physically, chief dignitary – Mr KV Sridhar a.k.a Pops, Ad Guru and Global Chief Creative Officer, Nihilent – HyperCollective expressed: "It's wonderful to be back and witness the technological growth that has taken place from my previous visit two and a half years ago. I have seen certain

innovative technology seeping into OOH and printing as well. Also seeing people talking about creating a fabric out of PVC waste that can be recycled. The world is moving towards sustainability." Mr Rohit Chopra, Chief Operating Office, Times Innovative Media Ltd, stated:

"There has been a ton of progress over the last few years in the printing and signage segments. Client interests and preferences are tilting towards eco-friendly products. Moreover, consumers are largely aiming for materials which are economically feasible as well as sustainable to the environment." The trade fair showcased a wide variety of products in indoor, OOH, static and digital signage verticals. SuperUS, Miraai Advanced Composites, Unique Ads Media, D-kit Media, Sree Dhanam Automation, Arrow Digital Pvt Ltd and Colorjet were some of the brands who demonstrated latest and new product launches. Sharing his experience Mr Sanjay Bindroo, VP – Sales, Arrow Digital Pvt Ltd (India) said: "We have recently launched a 3.2 metre large-format printing machine which is fully automated and PLC driven, and it does not require regular manual clean-up".

Event

15TH PRINTPACK INDIA CONCLUDES ON A HAPPY NOTE

Mr. Rakesh Sodhi

Like its earlier editions, the India Expo Centre in Gr. Noida was once again the venue of the 15th PRINTPACK INDIA which was organised by IPAMA from 26th to 30th May 2022. According to IPAMA, despite postponements due to Corona-19 limitations and the prevailing heatwave of over 46 degrees C, the visitor footfall counted 1,03,412 from 52 countries. The total area booked touched 60,340 sq mts which surpassed the area sold out during the previous edition. The IPAMA President Mr. Rakesh Sodhi appreciated the overwhelming support they received from the exhibitors and profusely thanked the Industry colleagues, exhibitors, visitors, staff and the venue for the grand success of 15th Printpack India-2022

Reportedly, only limited invitations were sent to the overseas markets due to Covid restrictions. Still it has been observed that the exhibitors finalized various business deals worth Rs.2,000 cr during the first four days. The business visitors and the exhibitors had taken the advantage of online

fixation of meetings in consultation with each other. The business delegates came from 52 different countries. The show also received wide coverage by the print and electronic media. A total of

487 companies had participated with their state-of-the-art machinery and other related products. The profile of the Exhibition includes Printing, Packaging & Flexible Packaging, Corrugation, Label Printing, Screen & Textile Printing, Signage & LED, Paper & Non-Woven, Pre-Press, Digital, Post-Press, Converting, Services & Software, Consumables & Spares and Allied Machines and more.

Latest gizmos were displayed by exhibitors like Erina CCD Label Cutting Machine, Double Servo Auto Stitcher, Flatbed Cutting Plotter, Twin servo flexographic film & label printing machine, Haptic Technology, High speed & accuracy flute laminator machine, Economical UV technology, Neon Master stich, Reel to reel hot heat transfer machine, Laser marking machine, High speed UV curable & Coating Machine, Shell/Tray forming machine, Bookcase rounding machine, automatic paper bag machine, 24 fold and 3 knife TT Machine, screen printing textile inks and many others.

Condolences for the demise of

1. Mrs. Girija Devi Pandey, wife of Mr. M. N. Pandey, EC member of DPA and owner of Avantika Printers Pvt. Ltd. on 26.5.2022
2. Mr. Pradeep Babbar, member of DPA and owner of Babbar Offset Printing Press on 13.5.22

Event

IPAMA appreciates the efforts of the machine manufacturers, whose products will be evaluated by a Technical Committee constituted by the Association. On the basis of the recommendations of the Committee, appreciation letters and awards will be bestowed to the deserving exhibitors.

During the Exhibition, various Conferences, Seminars, B2B Meets and other similar programmes were also organised by different institutions.

During every PRINTPACK INDIA, IPAMA bestows lifetime achievement award to honour the outstanding leaders who have made significant contribution in the field of Printing and Packaging over their lifetime. This time Lifetime achievement awards were presented to the following industrial stalwarts^o after the inaugural ceremony:

1. Mr. Dutta Deshpande - Pratham Technologies Pvt. Ltd.
2. Mr. S.S. Maan - Maan - Machine Tools
3. Mr. Shanti Pal Ahuja - Multitech
4. Mr. K.G. Suresh - Autoprint Machinery Manufacturers
5. Mr. Ramendra Singh - Sond Engineering

Besides above, IPAMA also recognized top six companies, areawise big stands:

NBG Printographics Machinery Co. - 1st, Imaging Systems - 2nd, The Printers House - 3rd, Sodhisons Mechanical Works - 4th, VIG Graphics - 5th, Technova Imaging Systems - 6th

At the end of the inaugural the Governing Council members thanked the audience for gracing the event.

DPA Stall at 15th Printpack India-2022

As during previous editions of their Printpack expos, IPAMA had allotted an impressive complimentary stall to Delhi Printers' Association at the 15th Printpack India which was held at India Expo Centre in Greater Noida from May 26 to 30, 2022.

DPA stall was set up with a number of large colour prints depicting DPA's multifarious printer-friendly activities and achievements during the 68 years of its colourful history. Several visitors evinced a great interest in the historical pictures, especially the old black & white photo in which the late PM Pt. Jawahar Lal Nehru is seen keenly observing an old model of a printing machine on show at DPA's first All India Printers Conference and Exhibition in 1957. The other photos covered DPA's memorable events organised from time to time.

Mr. Veerendra Malik of Digital Impressions who had an adjacent stall agreed to remove the partition and merged the two stalls to look a much spacious stall for DPA. DPA had displayed at the stall copies of its monthly newsletter Masik Samachar Patrika as well as the Directory of Members, which was in great demand as several copies of it were sold out on the spot.

A coffee machine installed at the stall, which was gifted by DPA's Vice President and owner of Max Rollers Mr. Sandeep Aggarwal, proved to be a blessing to the stall visitors who needed some rest after walking from one stall to another almost the entire day. DPA stall attracted many eager visitors and dignitaries.

15TH PAPEREX 2022 HELD SUCCESSFULLY

Paperex 2022, World's largest expo on Paper Industry was successfully organized by Hyve India from 10-13 May 2022 at India Expo Centre, Greater Noida, Delhi – NCR, India. After two years of long wait and postponements the Industry exhibitors were finally seen wrapping up their stalls with happy faces and much expected business progression.

According to a press release by organisers, the event had participation of 460 leading exhibitors from 20+ countries and three concurrent events catered to the entire gamut of paper and all allied industries at one business platform WORLD OF PAPER – highlighting participation of Paper, Printing, Packaging and Publishing industries, CORRUGEX: - highlighting participation of Corrugated Box Machinery, Technology & allied Industries, TISSUEEX, highlighting participation of Tissue, Products, Machinery and Technology. Some of the top industry players who exhibited at the event were JK Paper, Bindal Paper, Trident Group, Silverton Pulp and Paper, Edicon, Bindals Paper, Valmet, Ambani Paper, VOITH, Bluecraft Paper, MLM India, Shri Krishna Paper and Mills, ITC and many more.

The four-day event witnessed a variety of papers, latest technological advancements, machinery and raw material for Paper & Board Manufacturing. The expo had a remarkable footfall of over 26,000 trade visitors over 4 days from across the globe comprising paper and board manufacturers, paper traders, printers, publishers, converters and paper packaging companies, designers for corrugated box and related packaging, investors and promoters.

Inaugurating the event on 10th May Dr. Bhagawat Karad, Union Minister of State for Finance, stated: "Paper production in the country needs to be augmented by 7-8 times for domestic industry to meet the surging demand and to make India 'Aatmanirbhar'. Currently India accounts for only 4-5% of global production of paper. Paper consumption in India needs to be promoted in view of the employment it generates." Dr. Karad was

joined by CXOs of the leading exhibiting companies in lighting the inaugural lamp.

A major highlight of the show was a path-breaking Conference on "Paper Industry: Post Pandemic Growth and Restructuring" by Indian Agro & Recycled Paper Mills Association (IARPMA) as also a three-day Open Seminar on "Paper - Corrugation, Printing and Packaging Industry" covering key challenges and opportunities. Added attractions were Buyer Delegations from major leading trade associations including IPPTA, IPMA, INMA, IARPMA, FPTA, IRPTA, WPF and more. Given the quality of the visiting buyers from India and abroad, a number of exhibitors used this platform to launch new products, services and technologies. Another eye-opening Panel Discussion at the Seminar was held by Indian Recovered Paper Traders Association on Recovered Paper Industry (RCP) – Domestic & Influence of Imports. The conference and the open seminar added a lot of value to the expo in terms of discussions on recovery paths, way forward and to address complete inward and outward paper supply chain.
