अध्यक्ष की कलम से

प्रिय बन्धुओं,

मुझे दिल्ली प्रिंटर्स एसोसिएशन के अध्यक्ष के रूप में दूसरा मौका देने के लिए आप सभी का मैं हृदय से आभारी हूँ। यह कोशिश रहेगी कि मैं आपकी हर आशाओं पर पूर्व की तरह खरा उत्तर सकूँ।

कोरोना की वजह से नुकसान हमारे व्यापार का पिछले वर्ष में हुआ, उससे उबरने व नए प्रयोगों से मुद्रण व्यवसाय को चलाने का वक्त आ गया है। हमें अपनी कार्यशैली में कुछ बदलाव लाना जरूरी हो गया है। हमें नई तकनीक एवं नई सोच के साथ अपने व्यवसाय को आगे बढ़ाना है। इस सोच के साथ आगे चलने के लिए हमने मुम्बई मुद्रक संघ द्वारा चालू किए गए वेब पोर्टल 'वर्ल्ड प्रिंट हब' में उनका साथ देने का फैसला किया है। हाल ही में उन्होंने हमारे कार्यकारी सदस्यों के लिए एक विशेष सत्र रखा जिसमें श्री तुषार धोते, श्री जीवन भिंगारकर, श्री प्रकाश कैन्सर व श्री मेहुल शाह ने उस पोर्टल के बारे में समझाया। हमारे पूर्व प्रधान श्री विजय मोहन जी, ने उन्हें एक सुझाव भी दिया कि यदि वह इस पोर्टल के द्वारा मुद्रकों को वस्तुएं अथवा सर्विसेज बेचना चाहते हैं तो उन्हें उसकी जिम्मेवारी भी लेनी पड़ेगी। हम से उन्होंने सभी मेम्बर का डाटा मांगा था ताकि वह शुरुआती दौर में आप सभी को निःशुल्क सदस्यता दे सकें परन्तु हमारे कार्यकारी मण्डल का मानना था कि हम उन्हें आप का डाटा देने की बजाय उनके द्वारा भेजी गई जानकारी व लिंक आप को प्रेषित कर दें ताकि आप जब चाहें तो सदस्यता निशुल्क प्राप्त कर सकें।

प्रिंटवीक पत्रिका ने मेरा साक्षात्कार सण्डे कॉलम में तकरीबन 45000 प्रिंट प्रोफेशनल्स को मेल एवं व्हाट्सएप द्वारा भेजा। चूंकि आप सभी सदस्यगण उनके डाटा में सम्मिलित नहीं है। वह जानकारी हमने आपको मेल व व्हाट्सएप द्वारा भेजी दी। प्रिंटवीक वाले भी आपका डाटा चाहते हैं ताकि वह मुद्रण से जुड़ी नई जानकारीयां आपको भेज सकें। हमने कार्यकारिणी के समक्ष यह मुद्दा रखा था। कार्यकारिणी ने फैसला किया कि प्रिंटवीक एक मेल भेजे जिसे हम आप सभी को भेज दें। जब आप चाहें तो रजिस्ट्रेशन करलें। इन दोनों किस्सों से आपको यह विश्वास रहे कि आपकी संस्था किसी भी हालात में आपका निजी ब्यौरा किसी के साथ भी कभी भी साझा नहीं करेंगी।

आपका ही
-सुनील जैन

सावधान रहें व कोविड नियमों का पालन करें।

महासचिव की कलम से

सर्वप्रथम मैं आप सभी सम्माननीय सदस्यों तथा शुभचिन्तक मित्रों का हृदय की गहराइयों से आभारी हूँ जिन्होंने दिल्ली प्रिंटर्स एसोसिएशन का वर्ष 2021-2022 का चुनाव निर्विरोध करवाया तथा मुझे महासचिव के उच्च पद के योग्य समझते हुए मुद्रण उद्योग की सेवा करने का वांछित अवसर प्रदान किया। मैं आप सभी को आश्वासन देता हूँ कि मेरा पूरा प्रयास होगा कि आपकी आशाओं पर खरा उतरने के लिए पूर्व कार्यकारिणी के वरिष्ठ पदाधिकारियों की बहुमूल्य सलाह एवं मार्गदर्शन तथा संस्था के संविधान के अंतर्गत अपने कर्तव्यों का पालन करते हुए मुद्रण उद्योग की लगे से सेवा कर सकूँ। इस उद्देश्य को पूरा कर पाने के लिए मुझे सभी सदस्यों का सार्थक सहयोग सदा वांछनीय रहेगा।

लगभग 15 माह से हम सभी कोरोना वायरस के विश्वव्यापी भयंकर कहर से जूझ रहे हैं। इस निर्मम महामारी के कारण न केवल आम जनजीवन तथा उद्योग-व्यापार ठप हुए अपितु पूरी अर्थव्यवस्था भी बुरी तरह प्रभावित हुई है। पिछले वर्ष की भांति इस वर्ष कोरोना की दूसरी घातक लहर ने अपना प्रचंड रूप धारण किया किन्तु सौभाग्य से इस वर्ष वैक्सिनेशन की प्रक्रिया तेजी से आरम्भ होने के कारण वायरस इतना घातक नहीं रहा जिस तेजी से यह फैला। सरकारी गाइडलाइन्स के तहत चिकित्सकों, नर्सिंग स्टाफ, सफाई व सुरक्षाकर्मियों के अथक प्रयासों के कारण पूर्णतः स्वस्थ होने वाले मरीजों की संख्या काफी अधिक रही किन्तु जो मरीज भाग्यशाली नहीं रहे उनके परिवारजनों के लिए संस्था की ओर से हम अपनी संवेदनाएं प्रकट करते हैं। सौभाग्यवश 'पीक' पर पहुंचने के पश्चात इस वायरस का दुष्प्रभाव अब ढलान पर है तथा धीरे-धीरे लॉकडाउन सम्बन्धित सभी प्रतिबंधों में ढील दी जा रही है। आशा करते हैं कि पिछले वर्ष की भांति जनजीवन, उद्योग-व्यापार, आदि एक बार फिर से पटरी पर आ जाएंगे और सामान्य स्थिति शीघ्र लौट आएगी।

यद्यपि हम सब इस समय एक कठिन दौर से गुजर रहे हैं मगर हमें न केवल अपने परिवारजन बल्कि अन्य मुद्रक भाइयों को एक दूसरे का साथ और सहयोग देकर साहस तथा संबल प्रदान करना चाहिए ताकि सभी सकुशल एवं स्वस्थ रह सकें। हम सभी को स्वयं तथा परिवार के सदस्यों को वैक्सिनेशन शीघ्र करवाकर कोरोना प्रोटोकाल का गंभीरता से पालन करते रहना चाहिए। साथ ही हमारे उद्योग पर लागू सभी सरकारी निर्देशों एवं नियमों का पूरी जिम्मेदारी से हम पालन करते रहें। करों को यथासम्भव समय पर भरते रहें तथा अपने यूनिट के सभी रिकार्ड ध्यान से मेनटेन करते रहे ताकि निरीक्षण संबंधित चिंताओं से मुक्त रहकर व्यापार बढ़ाने का प्रयास निरन्तर तेजी से हो सके।

Mr. Sunil Jain - New President of DPA

Sky is no limit for this young, enthusiastic and energetic entrepreneur Mr. Sunil Jain, the just elected President of Delhi Printers' Association, the largest association of Printers not only in India but Asia. He is the only person in the history of DPA to have secured two terms as Treasurer, General Secretary as well as President. He has also been the Vice President (North) of All India Federation of Master Printers for the year 2017-2018.

After completing his graduation in Commerce from Delhi University in 1992, Mr. Sunil Jain immediately shouldered his father's responsibilities and took over the reins of his age old printing business. Well qualified with extraordinary talent and making use of ultra modern technologies, he has been able to earn a name and place in Delhi's printing fraternity. Always ready to cooperate and help his fellow members, he is acclaimed and adored by the printers of Delhi.

In addition, Mr. Sunil Jain has been looking after the printing and publishing of association's monthly newsletter "**Masik Samachar Patrika**" as Editor since its inception from 2009 till 2018. He has been the associate editor of "**Delhi Printer**" from 2018 till date. Even at the national level, at All India Federation of Master Printers, he is being endowed upon with different responsibilities. He performs his duties with full determination and devotion, as he believes in the phrase "Nothing is Impossible". He has been an integral part of core team in organization of GC meetings hosted by DPA in 2014, 2017 and 2018. He has also been instrumental in successful organization of NAEP 2014 and NAEP 2016 taking care of each and every aspect from sorting of entries, assisting the team of judges and hosting the award functions.

Besides being a Printer and holding so many responsibilities, he is passionate enough to serve the society. He is one of the seven trustees at the socio – religious **Shri Vijay Shanti Suri Sewarth Trust**. The Trust has been running an oxygen concentrator bank during current corona epidemic. The trust has adopted three government schools with over 850 students in District Jalore (Rajasthan) providing nutritious meal supplement (apart from Mid day meal), uniforms, shoes, copies, stationery items, sports goods and training viz. sports and crafts to the students. They have also constructed toilets for both girls and boys in these schools to promote "**SWACHH BHARAT**" and make the village open defecation free. They have installed **E-classroom** for senior classes with private teaching faculty. The efforts and hard work of the trust has enabled one of the schools to get the "**Best School Award**" in entire Rajasthan. He believes in education to the poor and downtrodden children and arranges educational books from his fellow printers and other sources, to be distributed among needy and desirous children of the under privileged society.

Mr. Atul Goel - Hon. General Secretary

With publishing and printing business in his blood, and watching the different facets of printing in the campus of S.Chand & Co., one of the leading publishers in the country with in-house printing press, where he stayed in his childhood, the newly elected General Secretary of Delhi Printers' Association Mr. Atul Goel, was drawn to the mesmerising world of printing. He started his printing business "Kaveri Printers Pvt. Ltd." along with his younger brother after completing his graduation from Bhagat Singh College, University of Delhi.

With a view to serve the cause of printing trade Mr. Atul Goel joined the Executive body of DPA in 2003. His passionate participation in various social and pro-industry activities of the association saw him elevated to the posts of Vice-President, Joint Secretary, Treasurer and General Secretary of DPA. He is also a Governing Council Member of the All India Federation of Master Printers. He is always eager to remain in the forefront whenever the association organises any event for the benefit of the printing fraternity. He is amongst the top sponsors of Printing for DPA's in-house journal – Masik Samachar Patrika. In his zeal to remain updated with the latest development in printing industry and to interact with fellow printers, he attends all the seminars and workshops being organised for the industry.

With a sharp business acumen and an optimistic attitude he converts every threat into an opportunity. Realising that the government would stop all industrial activity from residential areas, he planned a unit in Patparganj Industrial Area with complete pre press and post press. He set up a bigger unit in Noida to cater to the big publishing houses and carved a name in big volume book printing with high speed 8-colour machines and latest fully automatic binding machines. Sensing the low levels of business in commercial printing after lockdown in the prevailing Covid-19 pandemic, he has already started a new unit in Noida which specialises in packaging.

Besides taking care of his responsibilities of three printing units, he is passionate enough to serve the society. He is one of the patrons at **Baba Gangaram Seva Samiti**, Delhi, under the aegis of **Shree Panchdev Mandir in Jhunjhunu - Rajasthan**, responsible for funding and organization of socio-religious functions over a considerable period of time. He believes in education to the poor and downtrodden children and arranges educational books from his publisher friends and other sources, to be distributed among needy and desirous children. He is also a treasurer of Sukhdev Vihar Welfare Initiative, where he resides.

Mr. Prakash Dass - Treasurer

Dreams are like stars, you may never touch them but if you follow them they will lead you to success. This quote applies aptly to the newly elected Treasurer of DPA Mr. Prakash Dass. Born in Delhi on 15.8.1959, he graduated from Delhi University in 1980. Even during his student days he assisted his elder brothers in their printing press to learn the ins and out of the print art, but his dedication and creativity soon earned him a bright name in the field.

Mr. Prakash Dass joined Delhi Printers' Association as an ordinary member in 1983, but realising his resolve to fulfil his aspirations to serve the industry, he was inducted into the Executive Committee of the association in 2007. In his simple and straightforward ways he has been willingly offering his sincere and untiring services to the body and actively helping it in the organisation of various events and activities from time to time. As a result of his selfless devotion to duty Mr. Dass was elevated as Jt. Secretary for 2015-16 and 2016-17 terms and subsequently as Vice-President for three years.

Mr. Prakash Dass's avid hunger to keep himself abreast of the latest technologies in print craft took him to visit Drupa Exhibition in Duesseldorf in 1987. Later on he also went on pleasure trips to Bangkok, Singapore and Malaysia. To encourage him to fulfill his ambition to work for the All India Federation of Master Printers, DPA nominated him as a GC Member when he served the apex body for a number of years. A social worker at heart and a self-made man, Mr. Dass has been silently and modestly funding underprivileged and struggling people in their dark times.

Future Industry Events

Ahead of the next drupa (28 May - 7 June 2024), Messe Düsseldorf and its trade shows in Asia will offer a wide range of touchpoints enabling the industry to stay in touch. This includes the Print & Digital Convention, for instance, scheduled for 20-21 October 2021 at the Düsseldorf Exhibition Centre. In addition, the following events from the global Print Technologies portfolio are still on the agenda: Indoprint (Jakarta, 11-14 August), PackPrint International and Corrutec Asia (Bangkok, 22-25 September) and PackPrintPlas Philippines (7-9 October). However, the drupa website will also continue to offer insights into current industry issues and solutions and offer

opportunities for exchange, such as another virtual Conference Day planned for the autumn of 2021.

कोविड19 : डेल्टा प्लस वैरिएंट के लक्षण एवं बचाव

तेजी से फैलता है डेल्टा प्लस वैरिएंट

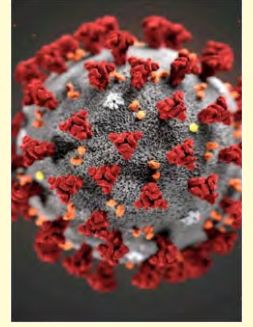

कोरोना वायरस के नए वैरिएंट डेल्टा प्लस को काफी खतरनाक वैरिएंट बताया जा रहा है। कहा जा रहा है कि डेल्टा प्लस वैरिएंट सबसे तेजी से फैलने वाला है। यहां तक कि इस वैरिएंट को 60 प्रतिशत और ज्यादा संक्रामक बताया जा रहा है। डेल्टा प्लस वैरिएंट कोरोना का नया घातक स्वरूप है। यह बहुत तेजी से फैलता है। डेल्टा प्लस वैरिएंट संक्रमित के फेफड़ों की कोशिकाओं से बहुत मजबूती से चिपकता है। वहीं, इसमें शरीर में रोग प्रतिरोधक क्षमता काफी कमजोर हो जाती है। ऐसे में इस सीक्वेंस को लेकर विशेषज्ञ चिंतित हैं।

कोरोना वायरस के नए डेल्टा प्लस वैरिएंट के अलग-अलग लक्षण देखे जा रहे हैं। जानें इसके लक्षणों के बारे में...

- बुखार, सूखी खांसी और थकान महसूस होना
- सीने में दर्द होना
- सांस फूलना और सांस लेने में तकलीफ होना

- इसके अलावा स्किन पर चकते पड़ना
 - पैर की उंगलियों का रंग बदलना
 - सामान्य लक्षणों में गले में खराश
 - स्वाद और महक चले जाना
 - सिरदर्द और लूज मोशन की दिक्कत
- ### ऐसे करें बचाव

- घर से बाहर निकलते वक्त डबल मास्क लगाएं
- सैनिटाइजर का यूज करें
- जरूरी हो तभी घर निकले
- घर से बाहर निकले तो सोशल डिस्टेंसिंग का पालन करें
- जब भी बाहर से घर आए तो हाथों को करीब 20 सेकेंड तक अच्छे से धोएं
- बाहर से लाए हुए सामान को डिसइंफेक्ट करें।

Virtual.drupa Fair Makes History

As proudly claimed by the organisers Messe Duesseldorf, their first purely digital version of Drupa Fair - leading global trade exhibition for printing technologies - which took place from 20 to 23 April 2021, made a memorable history. The virtual event successfully bridged the gap between the previous and forthcoming face-to-face event slated for 2024. The new format of Print & Packaging community received excellent feedback internationally, as demonstrated by the impressive final statistics.

A total of 212 exhibitors from 35 countries, as well as team participants from global subsidiaries presented their product portfolios and innovations within the online showrooms and more than 125 live web sessions with an average of 140 participants. These provided vital stimuli for tapping into new potential, alongside the comprehensive conference programme with an additional 130 presentations in the context of five special forums, focusing on key issues as well as global megatrends and their impact on the industry. Other indicators, such as a total of around 600,000 page views and 45,000 unique users, further underline this.

International visitors from 155 countries made up more than 82% of the total number, highlighting the fact that virtual.drupa has been able to provide access to potential customers on all continents and having been adopted as a digital platform for international knowledge transfer and networking opportunities.

"virtual.drupa was implemented in order to maintain contact within the industry during the pandemic. The numbers demonstrate that we have

achieved this," summarises Erhard Wienkamp, COO at Messe Düsseldorf. virtual.drupa enabled exhibitors and prospective customers to reinforce their networks, generate new leads and gather incentives for their corporate targets."

"We are delighted about the positive feedback we have received from participants," Sabine Geldermann, Project Director Print Technologies, confirms. "The overwhelming number of global players – both in terms of exhibitors and visitors – has resulted in an industry dialogue that was particularly important during this time. The wide spectrum of target visitor groups, profiles and areas of interest was impressive. This also applies to the exhibitors and their product portfolios along the entire value chain."

Sabine Geldermann also notes an excitement in anticipation of drupa 2024: "Many participants are already signalling that they are looking forward to this industry highlight and the live experiences".
